IN BRIEF

FEDERAL JUDICIAL ASSISTANTS ASSOCIATION

Letter from the President

Judith Stoyko

Dear FJAA Members:

Can you believe that we are in the final quarter of 2021? This year has flown by! Fortunately – thanks to the COVID vaccine – we have regained some semblance of normalcy and are in a much better place than we were this time last year.

The FJAA will begin its new fiscal year on November 1, 2021. As you will recall, the membership voted in July of this year to keep current officers and circuit representatives in place for an additional year, with only a few changes. In my last article, I welcomed Donna O’Kroy as 8th Circuit Representative and Terri Quintos as Federal/D.C. Circuit Representative. I erroneously omitted Sandra de Varona, our new 11th Circuit Representative (apologies!). She is the JA to District Judge Donald L. Graham in Miami, Florida. Welcome to the team, Sandra!

In addition, Jenny Rudolph (2011-2012 FJAA president), JA to District Judge Jane Triche Milazzo in New Orleans, will serve on the 2021-2022 board as Past President. That position became available when immediate Past President Cathy Gray retired at the end of September. The FJAA is grateful for Cathy’s many years of dedicated service to our organization. Congratulations on your retirement, Cathy! And welcome back to the board, Jenny!

In just a couple of months, 2021 will come to a close. As we enter the new year, please mark your calendars for the 2022 FJAA Conference, which will be held September 15-17 in Tucson, Arizona. I hope to see you there!

I wish you the happiest of holidays, and I hope you continue to stay safe and well while enjoying the festivities of the season. Remember: *There is always something to be thankful for!*

Judy Stoyko, FJAA President

MAINE DISTRICT COURT FJAA NEWS

We have some bad news to report in Maine but thankfully we have much more good news (than bad news) to share:

The bad news is that one of our IT gurus in Bangor, Raymond Sanborn, is leaving us to go to work for the Middle District of Pennsylvania as that Court's Systems Administrator. We will miss him.

Our good news is that at the beginning of September, the Sunshine Fund Team presented one of our other IT gurus, Nate Horn, with some baby gifts for his baby boy that was due any day. Because of our Covid restrictions we were not able to have an actual shower but we did surprise him!

There was a nice assortment of gifts plus an Amazon gift card. The Bangor collection was put towards a stroller that Nate and Anna had on their Amazon Baby Registry.

Their baby boy was born on Tuesday morning, September 21. We will have more details in our next newsletter update but we are all so happy for them.

On August 20, Chief Judge Jon D. Levy presided over a remote citizenship ceremony which welcomed 11 new citizens.

In August we said goodbye to our 2020-21 term clerks – all started virtually during the pandemic and welcomed our 2021-2022 term clerks, plus four Fall interns. We are now all working in our offices but we have Covid restrictions in place.

On July 23, the Judges took all of our law clerks to a luncheon - in which they had to take a ferry to Peaks Island - to thank them for all of their extra hard work during this past Covid year.

The Court also acknowledged the following people for reaching significant career milestones with the District of Maine. Together these five people have contributed 105 years of service:

Lori Dunbar – Court Reporter – Portland: 15 years

Robert Guptill – Assistant IT Director – Portland: 20 years

Jennifer Lyons – Career Law Clerk – Judge George Singal – Portland: 20 years

Marc Veilleux – Career Law Clerk – Judge Lance Walker – Bangor: 20 years

Sarah McNamara – Financial Administrator – Portland: 30 years

The District Judges were pleased to announce that the Honorable John C. Nivison has been reappointed to a second eight-year term as United States Magistrate Judge effective January 27, 2022.

Judge Nivison has had a long and distinguished career of public service. He began his service to this Court on January 27, 2014. He is a 1982 graduate of Colby College and a 1985 graduate of the University of Maine School of Law. From 1985 to 1999, Judge Nivison worked in the Augusta, Maine law office of Pierce Atwood. In 1999, Governor Angus S. King, Jr. appointed Judge Nivison as Judge of the Maine District Court, a position he held until 2007. He served as the Chief Judge of the Maine District Court from 2005 to 2007. In 2007, Governor John E. Baldacci elevated Judge Nivison to the Maine Superior Court. In addition to his regular duties as a Justice of the Superior Court, he also presided in the Business and Consumer Court.

DISTRICT OF NEW JERSEY FILLS VACANCIES

Since February, 2021, the District Court for the District of New Jersey has been busy filling Judicial vacancies for several judges who were sworn in privately. No formal swearing in ceremonies for our newest Judicial members of the Bench have been conducted due to the pandemic but we are looking forward to future events celebrating these milestones.

Hon. Madeline Cox-Arleo
Hon. Jessica Allen

On February 17, 2021, Jessica S. Allen was sworn in as a Magistrate Judge. Jessica Allen earned a bachelor's degree from Rutgers University in 1992. She attended Seton Hall University School of Law and obtained her JD in 1996. Judge Allen was a partner at the law firm, Killian Firm, P.C. She also has served as an Assistant United States Attorney in the District of New Jersey and an Assistant Attorney General in the New Jersey Office of Attorney General. Judge Allen clerked for United States District Judge Madeline Cox Arleo as well as former United States Magistrate Judge Ronald J. Hedges.

On March 24, 2021, the United States District Court for the District of New Jersey welcomed Hon. Andre Espinosa, U.S. Magistrate Judge, to the Court Family. Judge Espinosa attended University of Kansas and received a degree in political science. Afterwards, he attended Rutgers University where he obtained a master's degree in public affairs and politics. It was at Rutgers School of Law where he received his Juris Doctor. Prior to joining the bench, Judge Espinosa worked as an Assistant U.S. Attorney for the Eastern District of California, San Diego, California and eventually Newark, NJ. In 2006, he practiced at the law firm Paul, Weiss, Rifkind, Wharton & Garrison LLP in New York for 2 years.

Hon. Andre Espinosa

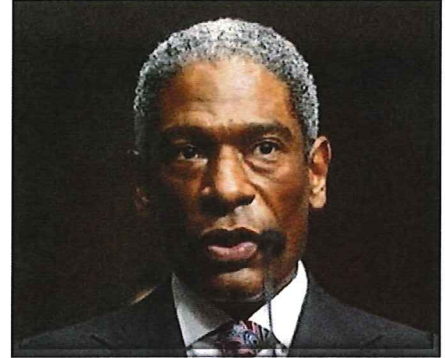

Hon. Sharon King

On April, 2021, Sharon A. King, was sworn in as a Magistrate Judge in Camden, NJ. She attended Boston University where she received her Bachelor of Science. She received her JD from Rutgers University School of Law in Camden. Before taking the bench, Judge King was a partner at King & King, LLC.

THIRD CIRCUIT— IRIS LIRIANO

On June 24, 2021, the United States District Court for the District of New Jersey welcomed Hon. Julian Xavier Neals, U.S. District Judge. Judge Neals attended Morehouse College and graduated in 1986 with a Bachelor of Arts. Thereafter, he attended Emory Law School where he received his J.D. in 1991. He clerked for one year with Judge Seymour Margulies of the N.J. Superior Court after law school. After his clerkship, he worked as an associate at the law firm Chasan, Leyner & Lamparello for 14 years. In 2014, he returned to the firm as a Partner. In between these two positions, Judge Neals worked at the City of Newark as a Chief Judge of the Newark Municipal Court. Before he was confirmed, he held a position as County Counsel for Bergen County.

Hon. Julian Xavier Neals

On September 22, 2021, the 44th Annual William J. Brennan Award was hosted at the Forsgate Country Club, In-Person & Live Streamed. This year's recipient was Hon. Patty Shwartz who is a U.S. Circuit Judge. This event usually holds around 700 guests but due to the pandemic it only allowed 250 guests. All other guests viewed the event virtually. This award has been long awaited since the recognition was to take place last year but due to the pandemic was rescheduled. This award is presented to individuals for dedication to public interest and free expression.

Judge Shwartz and I have worked together for more than 20 years which includes our time together at the U.S. Attorney's Office. While working there for 9 years, I worked and knew a lot of the AUSAs. During the cocktail hour, we saw former alumni which was quite a treat. She and I were thrilled to see so many former colleagues who were there to congratulate her.

Before the recipient is acknowledged and awarded, the ceremony acknowledges several law students from local law schools, Rutgers School of Law and Seton Hall University School of Law, with two distinctive scholarships. The two scholarships are the Brennan Scholarship and the John J. Barry Memorial Scholarship. There are certain criteria students need to meet in order to receive such recognition and this year's selection was tough. I'm sure the law students in attendance were honored to have been chosen among the qualified students.

Prior to the conclusion of the event, the President of the NJ Bar Association gave her remarks which outlined Judge Shwartz's many accomplishments, compliments and accolades. Judge Shwartz came up to the podium to speak and close the event. It was a wonderful speech that was thoughtful yet funny at times as well as engaging. To make the attendees part of the speech, Judge Shwartz bought mini size footballs with the NJ Bar Association logo imprinted on it. The purpose of the gift was that when she got to the part of her speech that talked about stress relief, the attendees were asked to grab and squeeze the football. This exercise bought many laughter and smiles behind those masks. It was such a great idea since her speech was geared towards lawyers who were compared to linebackers in football. At the conclusion, Judge Shwartz was presented with a bouquet of flowers and a plaque.

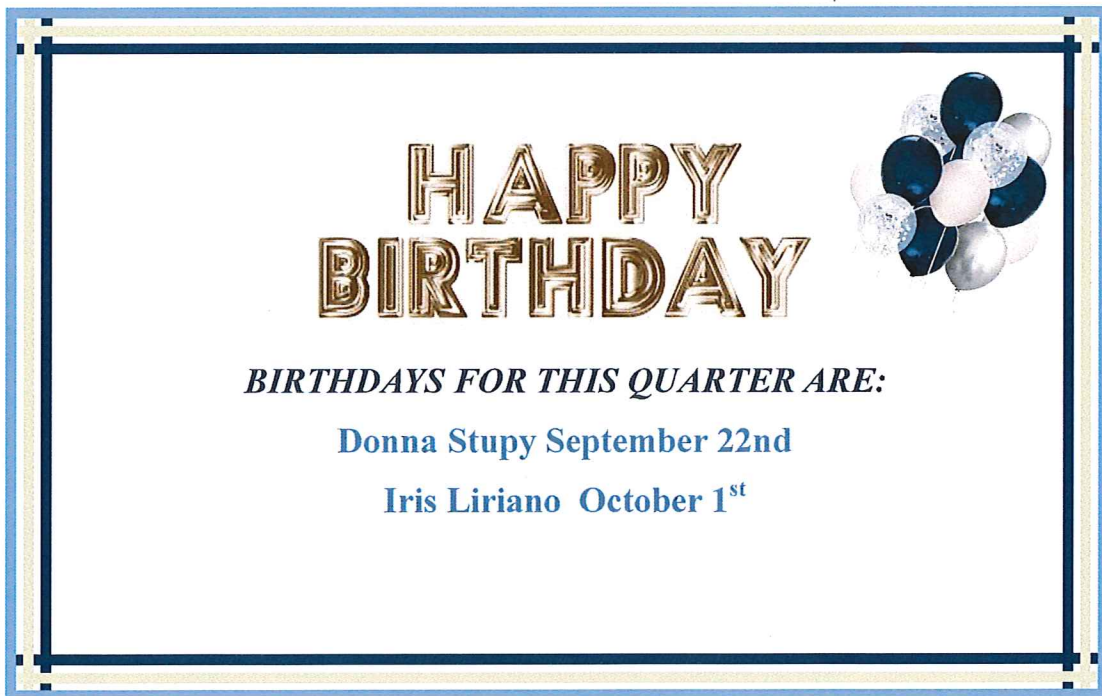

We congratulate Judge Shwartz for this well-deserved recognition.

THIRD CIRCUIT— IRIS LIRIANO

In 2019, I wrote an article about film-making that took place in Newark, NJ while I was taking a walk during my lunch hour. The movie, *The Many Saints of Newark*, was released October 1st at major theaters as well as HBO Max. I haven't been to a movie theater since the pandemic began, but I think I am making an exception for this movie. Particularly because I was born and bred in Newark and by chance, I saw some of the filming take place. I do remember scenes being filmed and would love to see if those parts made it to the big screen. If you were a Sopranos fan, I'm sure you will be just as excited as I am to finally see this movie as it was scheduled to be released in Summer of 2020.

Hope you all take the time to enjoy the Fall season. For all you nature lovers, this particular season is a perfect time to stroll through nature to enjoy the outdoors while taking in that cool, refreshing breeze seeing the Fall foliage unfold.

The Fourth Circuit's "About Us"

In an effort to get to know our members, some of the questions presented were:

What are your hobbies and/or what do you like to do for fun outside of work?

I have many hobbies that I indulge in after work. I enjoy shooting and have a concealed carry license, so I try to get to the local gun range to get in some target practice when possible. My sister and I actually both enjoy doing this, so it is something that we can do together.

If you could acquire one thing for chambers, what would it be?

Wifi access! Sometimes it is just easier to have it. We found, especially when we were trying to learn how to work from home when COVID first became a "thing", that it was incredibly difficult to do a dry run of going through all of the steps it was going to take to log onto the system from home without wifi access, and just having IT talk us through wasn't the easiest way to remember!

Where was is your favorite trip/vacation to and why?

Submitted by Deb Reynolds

Judicial Assistant to the Honorable A. Marvin Quattlebaum, Jr., Greenville, SC

Travel is one of my very favorite things! Thankfully, I was blessed to enjoy many trips with my husband before he passed away - from South Carolina to California, Alaska to Hawaii, Canada to Mexico, and numerous places in between. I thought there were no greater things in store for me.

But in 2019, I took my first foreign mission trip to Nicaragua. My church sponsored the trip and 14 of us worked with a group called Chosen Children Ministries.

What an eye opener a third-world country is! Nicaragua is one of the places you see on television with the hungry-looking children in front of a broken down hut. And you think they are staged to get your sympathy. I have seen it first-hand and it is real. While they lack so many things we take for granted, the people are kind, hard-working, and happy. They decorate stick and plastic sheeting homes with colorful blooms. Some only have sheets or newspapers held in place by wire to protect them. Multi-colored houses are speckled across the barrios, since they paint as much as the paint they have will go, and add another color when they get more. The well-heeled of the barrios have cement block homes of a room or two, with plastic covered porches or patios held up by sticks. The very well-heeled have latrines. They train wild birds which bring them joy and beautiful songs, and their clothing is as colorful as can possibly be. They walk or ride bicycles sometimes as much as two miles each way for water if they do not have a rain barrel. Returning home, I became the water police to family and friends about wasting an extra drop of water. No running the faucet while brushing your teeth at my house now!

We worked in neighborhood churches, and as our bus came down the road, the children as well as adults formed large crowds to greet us like we were superstars as we stepped off. They cherished every little trinket they were given or made in classes. We served lunch each day, and often older children would only eat the crusts of their sandwiches so they could take food home to share with family members.

In the afternoons, we worked in the barrios building a house or repairing one. Most days a flavored ice vendor on a bicycle would wheel down the road, and we would buy the cold treats for the neighborhood. You can't imagine how many hugs, smiles and pure joy we received from this simple gesture. Of course we shared our faith with them, and their hearts were very receptive.

At home, I belong to our local Lions Club, which provides eyeglasses, exams, and sight prevention, and supports other local and international charities. On this particular trip, it was meant to be that the last house I visited on our last day out, I met a young man named Christian. He was 14 and one of his eyes had been injured several years before. His cornea was completely occluded and he no longer has vision in that eye. Yet he makes beautiful stringed bracelets and sells them to help his family. Chosen Children offers the opportunity to sponsor native children. While I met many I would have loved to sponsor, it was this young man who was meant to be my sponsored child. As I told the pastor on that last day that this was the one for me, Christian came out of his house with one of his bracelets and tied it on my wrist, where it remains today. With the help of my local Lions Club, Christian now has glasses to help him see better and preserve the vision in his left eye. He wants to be an engineer and help others in his village.

So, yes to travel - I love a beautiful beach in the moonlight or a clear cold ride over Mount McKinley to see the moon at noon. But nothing surpasses that one memorable trip where the least of these stole my heart.

UNITED STATES DISTRICT COURT EASTERN DISTRICT OF LOUISIANA

Considering the catastrophic damage that Hurricane Ida caused in the state of Louisiana and other matters outlined therein, Chief Judge Brown has [issued General Order No. 21-14](#) on September 10, 2021.

1. All civil and criminal jury trials are suspended until November 1, 2021 and will be reset by each presiding judge. Attorneys should contact the presiding judges regarding any other deadlines that might be affected by this order.

2. With regard to criminal trials, this order extends criminal trial deadlines previously addressed in General Orders 21-11 and 21-12. Due to the Court's reduced ability to safely obtain an adequate spectrum of jurors and the effect of Hurricane Ida and the recent surge of COVID-19 cases on the ability of counsel and Court staff to be safely present in the courtroom, the time period of the postponements implemented by this general order will be excluded under the Speedy Trial Act, as the Court specifically finds that the ends of justice served by ordering the postponements outweigh the best interest of the public and any defendant's right to a speedy trial, pursuant to 18 U.S.C. § 3161 (h)(7)(A).

Further, Chief Judge Brown has [issued General Order No. 21-12](#) on September 4, 2021.

1. All deadlines and delays, including prescriptive and preemptive

periods, in cases pending or to be filed in this Court are hereby suspended for thirty (30) days commencing from August 26, 2021.

2. All criminal trials are excluded from the time requirements of the Speedy Trial Act, 18 U.S.C. § 3161, beginning on August 26, 2021 and continuing for thirty (30) days thereafter.

3. All grand jury proceedings in this district are suspended beginning on August 26, 2021 and continuing for thirty (30) days thereafter, subject to change upon motion from the government and further orders of the Court.

4. With regard to criminal matters, due to the Court's reduced ability to obtain an adequate spectrum of jurors and the effect of Hurricane Ida on the ability of counsel and Court staff to be safely present in the courtroom, the time period of the postponements implemented by this general order will be excluded under the Speedy Trial Act, as the Court specifically finds that the ends of justice served by ordering the postponements outweigh the best interest of the public and any defendant's right to a speedy trial, pursuant to 18 U.S.C. § 3161(h)(7) (A).

Court operations which had been suspended until September 7, 2021, will resume on September 7, 2021, at 8:30 a.m. The Clerk's Office staff will be available between 8:30 am and 4:00 pm on site and remotely until 5:00 pm.
